## OFFICIALS VIEW STORM DAMAGES

Damage to roads and damage to property as result of the heavy rains which swept the windward side of the island were investigated yesterday by the road committee and other members of the board, the city and county engineer and the attorney's office. The party that went around the island consisted of Supervisors Arnold, Larsen, Ahia, Logan and Horner, Engineer Collins and Deputy Attorney Carden. They found stretches of road badly washed and all of the road on the windward side very wet from the morning rains.

The first stop made by the party was at the Henry Cobb Adams place where it was claimed \$2000 damage had been done. Here the stream that runs through Hialeka valley had backed up and flowed over the road to a depth of three feet. It had flooded the house and washed away ground and damaged taro and rice crops. There was a large washout at the side of the road which will require a considerable fill to replace it. The culverts here had been too small and the plan now is to put in a 14-foot culvert to prevent a further recurrence. This is the second time in the term of the present board that this stream has caused damage.

Proceeding on their journey, the official party found another stream where repair and culvert work is needed on the road.

On the homestead road back of the Hauula Hotel there were two bad washouts that seem to require bridges. Directly back of the hotel garage the wash was about 6 feet deep by 8 feet wide. The wash further up the road was not visited but was reported wider and not so deep. This road can not now be traversed.

No definite valuation of the damage done to the Adams place was determined during the trip.

Stretches of new road were found to have stood the rains well.

## GAS, HEARTBURN, INDIGESTION OR A SICK STOMACH

"Pape's Diapepsin" Ends All Stomach Distress in Five Minutes

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't sit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, no debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home—adv.

The interstate commerce commission reports that during the three months of April, May and June, 1916, there were 100 persons killed and 1420 injured in train accidents in the United States.

## L. E. THAYER IS DEAD; PIONEER IN PIANO TRADE

Well Known Local Businessman Passes Away; Civil War Veteran

Leonard E. Thayer, Civil War veteran and well-known businessman of Honolulu, with friends and acquaintances all over the islands, died early this morning after an illness which had extended over many years.

The death, due to pulmonary complaint, occurred at 2:40 o'clock this morning. For the past 10 years Mr. Thayer had been a sufferer and in 1907 his physician told him he had only a few months to live, but his courage and vitality extended the lease of life a decade longer.

The funeral will take place tomorrow at 3 p. m., from the family residence, 1035 13th avenue, Kaimuki, with the Rev. F. P. Ettesen, pastor of Epiphany Mission, officiating.

Leonard E. Thayer was born in Acworth, N. H., November 24, 1842; enlisted in the 96th New York Volunteers in 1861, and served through the war, being discharged as first lieutenant; attended Eastman Business College, Poughkeepsie, N. Y., after the war; went to the then West, settling in Michigan. The next 35 years were devoted in the piano business with the Packard Piano Company of Port Wayne, Ind., and the Starr Piano Company of Richmond, Ind. Resigned from the latter company in 1905 and came to Honolulu; founded Thayer Piano Company here, where he has been in business ever since. Was a member of the Commercial Club of Honolulu, Anthony Wayne Club of Port Wayne, Ind.; the B. P. O. Elks, Richmond Chapter.

He leaves a wife, Mrs. Fannie M. Thayer, and two sons, Arthur F. Thayer, treasurer of the Thayer Piano Company, and Wade Warren Thayer, retiring secretary of Hawaii; a brother, D. J. Thayer, Bay City, Mich.; a brother, Lyman J. Thayer, Bridgeport, Conn.; a sister, Mrs. Henry Cram, Bridgeport, Conn., and a sister, Mrs. Samuel Gerould, Goffstown, N. H.

## SENATE MAY ASK TRAINING SHIP

President Chillingworth will introduce tomorrow in the senate a resolution asking Secretary of the Navy Daniels to act on the request already made to him for a training ship to be used by the Naval Militia of Hawaii.

This is the decision reached by the president following an informal inspection yesterday afternoon of the militia headquarters at the old bungalow in the Capitol grounds.

He also intends to introduce an amendment to Section 2 of Act 151, raising the allowed strength of the organization from two divisions to whatever strength the population and conditions may warrant.

Justice James L. Cooke, who introduced the naval militia bill in the senate two years ago, accompanied President Chillingworth yesterday on his visit. They were met by officers of the militia who explained the organization to them.

"At the present time," said President Chillingworth today, "the Naval Militia has only a steam cutter and two towing cutters for actual cruising between such trips as the men go on the St. Louis. We have 113 men and eight or nine officers in the organization, who have built up by themselves the present high standing."

"I feel that it is time for all of us to wake up to the presence of the organization we have here and do our best to boost it along."

## UTILITIES BOARD REPORTS TO HOUSE ON EXPENDITURES

The house today received from the public utilities commission a statement of its expenditures from November 1, 1915, to April 30, 1916. The amount expended was \$3416.33.

Salaries of the commissioners varied considerably during the period, the report shows. For instance, in March, 1916, Chairman C. R. Forbes received \$170, A. J. Gignoux \$120 and J. N. S. Williams \$50. In November, 1915, Forbes received \$60 and Gignoux \$80. In February, 1916, Forbes' salary was \$80, and that of Gignoux \$100.

## MAUI BALKS AT PUBLIC WORKS

(Special Star-Bulletin Correspondence)

WAILUKU, Maui, March 16.—Because every bill appropriating money for use on Maui has carried a provision that the work is to be done under the direction of the superintendent of public works, and also because of the general feeling that Maui is not in close enough touch with what is being done in the legislature, a special meeting of the chamber of commerce was held Thursday afternoon and the situation discussed. As a result a resolution was adopted asking that the Maui delegation in the legislature, through its secretary, keep the chamber informed more closely of what is going on at the capitol, and why.

The meeting was well attended, some 20 members answering the call. President Wadsworth stated that while practically all of the appropriation bills affecting Maui are payable from a proposed territorial loan fund, which Maui is bound to pay back, in every instance that had come to his attention the county had been ignored in the expenditure and the superintendent of public works made solely responsible. If the present loan fund has been unsatisfactory, Mr. Wadsworth stated, it should be replaced but he did not believe in having county work paid for by the county handled by territorial officials.

## Public Works Whole Pie

An examination of the printed bills on hand showed that they had all been drafted in the same manner and considerable speculation was indulged in by the members as to how this had happened and why the chamber had not been advised concerning its meaning. Even the bill for \$30,000 for completing the Olinda reservoir, which is being built under direction of the loan fund board, is turned over to the public works superintendent by the bill.

The same thing was found to be true in connection with the county building for which \$50,000 has been asked; the proposed Iao Valley road, calling for \$15,000; a \$35,000 item for a proposed Lahaina court house, and also an appropriation for a seawall at Lahaina.

## TELLS OF WORK ON BREAKWATER

(Special Star-Bulletin Correspondence)

HILO, March 16.—In answer to questions as to how the Hilo breakwater project is going ahead, E. N. Deyo informed the members of the board of trade on Tuesday last that he had learned from the contractor that about 5000 tons of rock per month had been placed in December, January and February. It is expected that 5000 tons will be placed this month and that in April 10,000 tons will be dumped on the structure. If the weather turns out good for some months after that the contractor expects to finish the present section about November.

There still remains 750 feet of breakwater to construct on the present contract and when that is done there will be, in all, 5510 feet of breakwater finished. By that time \$1,000,000 will have been expended on the breakwater. There is not sufficient money to finish the job, added Deyo.

President Vicks of the board of trade wanted to know how many scows the contractor would have working if he is to place 10,000 tons of rock in April. The reply was that there are two scows working at present and that the new quarry at Walpio had an immense amount of rock ready for shipment.

## DEATH SUMMONS MRS. P. McGRATH

Mrs. P. McGrath, mother of A. G. Prescott, district sales manager of the Standard Oil Company here, passed away this morning at her residence on Hackfeld street.

The funeral is being held at 3 this afternoon from H. H. Williams' undertaking parlors. She had many friends and was even more widely known in Portland, Oregon.

## WITH OUR VISITORS

Mr. and Mrs. George Gilmer, who have been visiting here at the Moana hotel for some time, left in the Columbia last night for Japan. Mrs. Gilmer is better known under the famous pen name of "Dorothy Dix." She gathered considerable data and a number of characteristic pictures for at least one article for an Eastern magazine on Carnival week.

## NURSE HAD POOR HEALTH

Suffered Much Pain, Yet Had to Work. Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Toledo, Ohio.—"I am a widow and go out nursing, and suffered from a female trouble that caused a great deal of soreness across my back, and through my abdomen. Sometimes it would be very painful after a hard day's work. I read about Lydia E. Pinkham's Vegetable Compound and tried it and it has helped me wonderfully, so the soreness is all gone now. I believe Lydia E. Pinkham's Vegetable Compound is just the remedy for female troubles."—Mrs. ELIZABETH JOHN, R. F. D. No. 4, Toledo, Ohio.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today is regarded as the most successful remedy for female ailments. There are thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., to prove this fact.
